

## TV story template

- Divide a strip of A3 paper (landscape) into 4 lengthwise. (Horizontally)
- Divide into six vertically.
- Cut along the horizontal lines. You now have enough for four pupils.

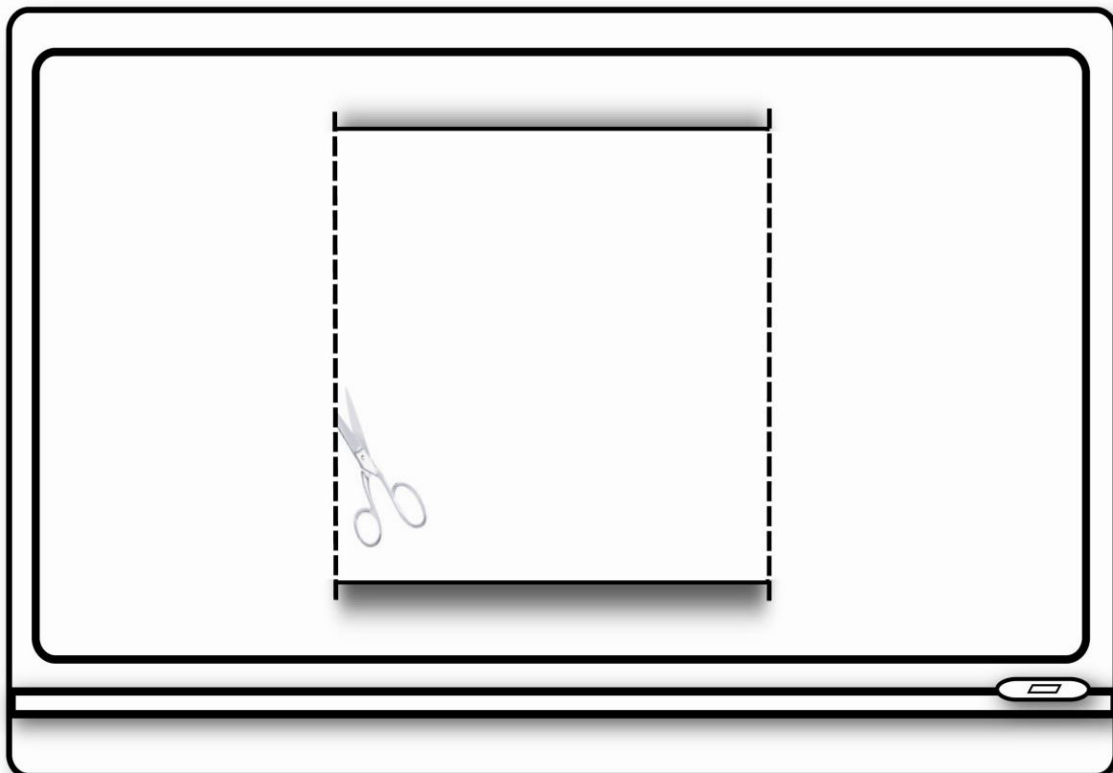

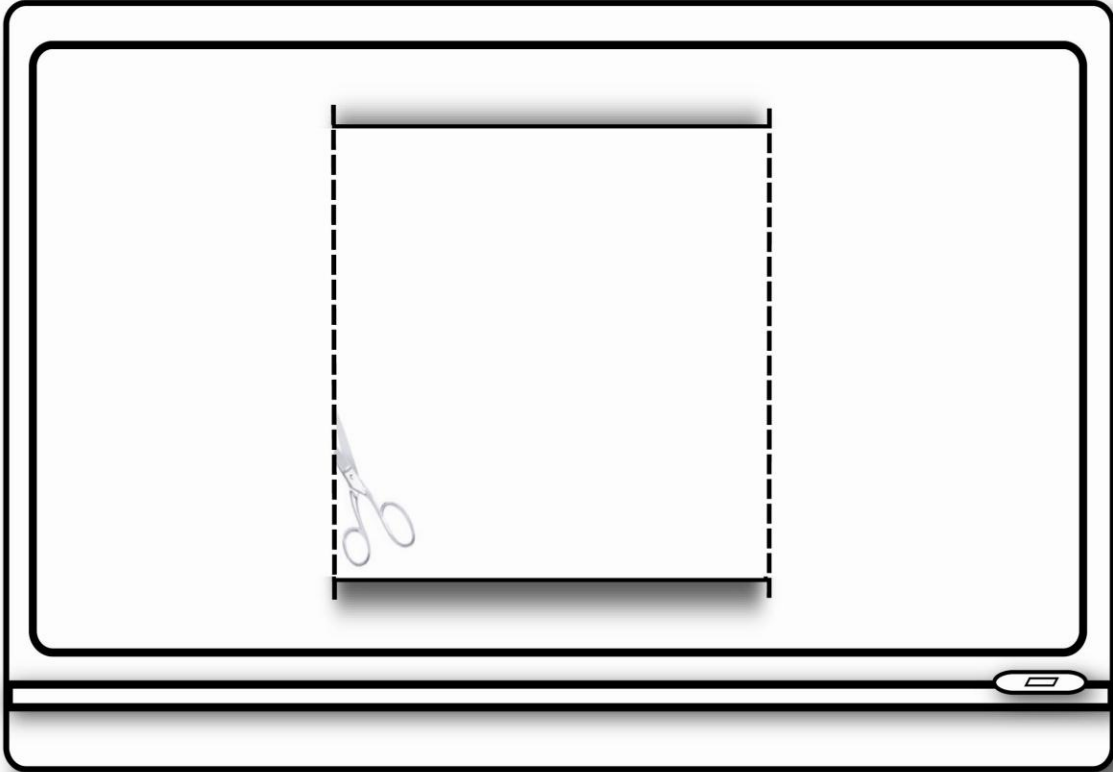

- Each pupil has one long strip divided into six.
- Pupils select the four most important scenes from the story and draw them in the central four 'cells'.

Leave blank    Scene1    Scene 2    Scene 3    Scene 4    Leave blank

- Copy the TV below onto card.
- Give each pupil one TV and ask them to cut along the dotted lines.

- Slide the strip through the slits in the television as in the diagram below.
