

The story of William Tyndale

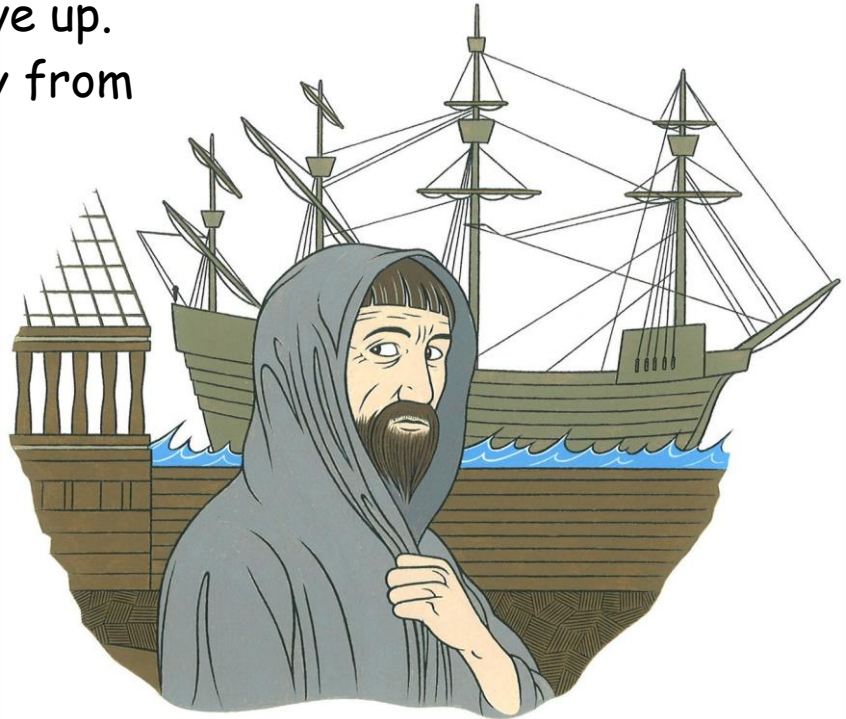

William was a very clever boy who worked hard at school. He was good at languages.

King Henry VIII

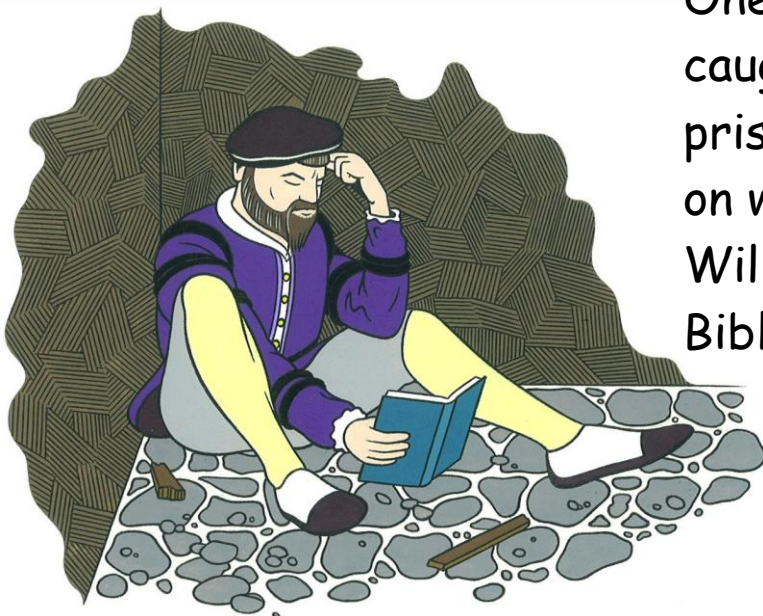

William wanted to put the Bible into English so that people could read the stories of Jesus. The King said 'No!'

William was in danger but he did not give up. He went far away from the King.

William had to hide, but he carried on working on the Bible in secret.

William's English Bibles were hidden in barrels and parcels and taken to England. Lots of people could now read the stories of Jesus.

One day William was caught. He was put in prison. William carried on working in prison! William died but his Bible helped many people.
